EXPERIENCE

Graduate Teaching Assistant
University of Groningen

📅 September 2019 – Present   📍 Groningen
- Courses: Statistics for AI and CS (B.Sc), Pattern Recognition (M.Sc)

Assistant System Engineer
Tata Consultancy Services

📅 October 2016 – June 2018   📍 Mumbai
- Worked as SAP ABAP developer for an Indian Retail client
- Gained good exposure to SQL related activities

Course Instructor
Don Bosco Institute of Technology

📅 October 2015 – March 2016   📍 Mumbai
- Course: Linux Administration

PROJECTS

M.Sc Thesis - Open-ended 3D Object Recognition using Dynamically Expandable Networks
University of Groningen

📅 March 2020 – Present   📍 Groningen
- A neural network model that can keep on learning to recognize new objects to an infinite extent, without catastrophically forgetting known ones.
- Only a sub-network responsible for output of the new object is identified and trained. If overall performance decreases, the network expands dynamically during training.
- Training and testing of this network is done on a ModelNet10 dataset.

Image Inpainting using cGAN and U-Net
University of Groningen

📅 April 2018 – June 2019   📍 Groningen
- Comparative study of cGAN and U-Net which were both implemented to reconstruct missing parts of face images.
- Trained and tested these networks on a dataset of celebrity faces.

Comparing Reinforcement Learning Algorithms
University of Groningen

📅 November 2018 – January 2019   📍 Groningen
- Comparison betweeen performances of CACLA and SPG Reinforcement Learning algorithms on BipedalWalker-v2 environment from OpenAI Gym platform.

Handwriting Recognition
University of Groningen

📅 April 2019 – June 2019   📍 Groningen
- Automated handwriting recognition system for Hebrew scripts.

EDUCATION

M.Sc. in Artificial Intelligence
University of Groningen

📅 September 2018 – July 2020

B.E. in Computer Science
Don Bosco Institute of Technology (Mumbai University)

📅 August 2012 – May 2016
CGPI: 7.82/10

TECHNICAL SKILLS

Python   Matlab   Java   R   C

Android SDK   SQL   SAP ABAP

Keras   Tensorflow

Windows   Linux

COURSEWORK

Machine Learning   Data Science

Deep Learning   Neural Networks

Pattern Recognition   Computer Vision

Natural Language Processing

Cognitive Robotics   Data Structures

Operating Systems   Analysis of Algorithms

CERTIFICATIONS

Oracle database 11g: SQL fundamentals I
Oracle

📅 September 2015   📍 Mumbai

Industry Integrated Android Programming-Level 1
Suven Consultants & Technology Pvt Ltd

📅 October 2014   📍 Mumbai
